# TRUMP

## THE GOLF WAR

1 x 60' documentary  
6 x 30' series

Billionaire Donald Trump's dream is to build the '*greatest golf course in the world*' on an unspoiled stretch of coast in Scotland.

After many hurdles and worldwide headlines, he now has planning consent. Since 2005, Midas Television has had exclusive 'behind the scenes' access to Trump and his team as they (quite literally) fought to bring this controversial dream to reality.

With over 40 hours of HD footage covering every angle, personality and drama we are in a position to deliver a 60' documentary on the story to date.

In addition, with three years continued exclusive access now confirmed, an "ob doc" series will follow Trump and his team through to the expected completion and inaugural tee off with Sean Connery in 2012.

This is the first international project Trump has created from scratch and his heart is in it as much as his head. We speak to Trump's family, colleagues and friends, and watch him at work and at play, from the glitz of New York to the windswept sand dunes of Scotland.

We see the glamour and hype, but also see behind the veneer to learn what makes the star of America's top rated series 'The Apprentice' tick. Love him or loathe him, Donald Trump makes compulsive viewing.
